THE PARTICULARS ARE (If additional paper is needed, attach extra sheet(s)):

I am a 60 year old black male. I have been a coach for the Aberdeen School District for thirty-six (36) years. I coached basketball, and have had excellent success, and also have an excellent relationship with my students. The school conservator, Robert Streckeb, told me that he was lowering my salary from \$19,000.00 to \$5,000.00. After I expressed concern about the lowering of my salary, he then sent me a letter dated May 14, 2013, informing me that I was discharged because the School District must move forward and a "new leader must be present all school day." My simply questioning my salary was not adequate grounds to terminate my contract, and would not have been done by a non-biased person.

I request the EEOC to investigate to determine whether I have been discriminated against based upon my race (black), in violation of Title VII of the Civil Rights Act of 1964, as amended, and/or my age (60), in violation of the Age Discrimination in Employment Act of 1967.
